

KaBOOM! Playground

**Boys & Girls Clubs of Greater Kansas City – Eastside Unit
(Thrivent Financial for Lutherans)**

This single-day construction project at the future site of the Eastside Unit of the **Boys & Girls Clubs of Greater Kansas City** was “tackled” by one of A.L. Huber’s project manager’s, Dean Huggins. In addition to recruiting volunteer help from within our organization, he also initiated the donation of tools and equipment ranging from shovels and wheelbarrows to heavy machinery. A.L. Huber then solicited other local organizations to get involved with bringing this playground “out-of-the-ground”. These efforts included time and material donations, such as the portable toilets provided for the workers. This event was part of the NFL’s “Hometown Huddle” collaboration with the **United Way**, and Kansas City Chiefs LB Derrick Johnson’s **King of the Field Foundation**.
